Assignment - Land - Hadagalli taluk -Hampasagar village - Portion of river accretion - Permission to lease it to Adi-Addhras for fasli 1339 - asked for.

A portion measuring 3.36 acres of S.No. 229 (River accretion of Hampasagar village, Hadagalli taluk, was ordered by the Board in its Resolution Routine No. 1764/27, dated 18-3-27 to be leased out to Adi-Andhras of the village for 1927 and 1928 without auction. The period of the lease expired last year.

tp40/1828.

2. The Adi Andhras have now put in a petition requesting the extension of the lease for some more years. My predecessor had reported to the Board that the land would be sold in auction in accordance with the provisions of B.S.C. 15, paragraph 35 sub-para 10 after the expiry of the present lease. I would not have ventured to make this recommendation again had it not been for the fact that the Adi-Andhras have suffered much owing to the failure of mungari crops this year. The concession if granted this year will greatly alleviate the sufferings of the entire madigageri.

3. I therefore recommend that as a special case the land may be granted on lease for the current fasli on payment of the highest dry rate prevailing in the village. I request early orders of the Board in the matter.

4. The Superintending Engineer has no objection to my proposal. A copy of his letter is enclosed.

Copy of letter No. 767 M, dated 22-8-29, from the Superintending Engineer, Madras to the Collector of Bellary.
